No addresses have been entered

Add Address

The supplier will add a fulfillment (tax reporting) address along with a remittance (payment) address.
A remittance (payment) contact is required. This includes an email address and phone number.
The individual is required to provide a valid tax document per IRS requirements.

If the individual does not have a W-9, the Supplier Portal can create a W-9 based on information the individual has already entered into the system.

To obtain a pre-populated W-9, click on Add Tax Document. A pop up screen will appear with the option to Download Pre-populated Tax Document. This W-9 can be downloaded, digitally signed, and uploaded back into the Supplier Portal.
The individual will choose their preferred payment method from the drop down list.

**Zelle** is an electronic payment method for Individuals. Individuals with a **U.S. based bank account** and email address can choose Zelle as their preferred payment method in their Supplier Portal profile.

Individuals without a U.S. based bank account are not eligible.

Companies are not eligible for Zelle, but Harvard University offers [Paymode-X](http://www.paymode.com/harvarduniversity/) for electronic payments to companies.
Submitting Registration

After providing all required information and clicking the certification button, the representative will submit the registration for review by the Harvard vendor onboarding team.
